

Brussels, 2 October 2020

## INVITATION

Dear all,

We have the pleasure of inviting you to the next FABEC Expert Workshop. We will mainly focus on the environmental and operational topics in relation to the **Vertical Flight Efficiency (VFE) within FABEC**.

**FABEC VFE Expert Workshop**

**Thursday, 10 December 2020**

**10:00 - 15:30**

**Sheraton Brussels Airport Hotel and online**

On the initiative of SC Environment, this workshop will be held with the aim of exchanging views between FABEC ANSPs, airlines and flight plan service providers on concrete environmental and operational aspects regarding **Vertical Flight Efficiency in the FABEC area**. It will give to all participating stakeholders the opportunity to discuss together of what could be envisaged in the future. The attached detailed agenda will provide you with the topics to be discussed.

To register for the workshop please go to [www.fabec.eu](http://www.fabec.eu) prior to 20 November 2020. If you have any questions or suggestions, please do not hesitate to contact Mrs Nadine Meesen by email ([nadine.meesen@fabec.eu](mailto:nadine.meesen@fabec.eu)) or by phone: +32 475 9999 48 or +32 2 206 20 23.

We are looking forward to seeing you at the event.

Kind regards

Ilona Sitova  
FABEC Chair SC Environment

John Santurbano  
FABEC Champion Environment  
CEO MUAC
