Dear all,

We have the pleasure of inviting you to the next FABEC Expert Workshop. We will focus mainly on the operational topics relating to the **implementation of Free Route Airspace (FRA) within FABEC**.

**Wednesday, 12 February 2020**

The aim of the workshop is to present the upcoming huge change within the European airspace (deletion of the route network above FL195, impact on most FPL in Europe, complete review of the RAD...) and to discuss the solutions we can put in place together with NM, CFSPs and airlines. The attached detailed agenda will provide you with the topics to be discussed.

Please register for the workshop prior to the 31<sup>st</sup> of January 2020 by sending an email to [nadine.meesen@fabec.eu](mailto:nadine.meesen@fabec.eu).
