**FABEC Performance Plan
Workshop
Brussels, 4 April 2011**

Dear all

We are pleased to inform you that the FABEC States have decided develop and adopt a common FABEC Performance Plan. This plan is currently under development and will be finalised by the end of June. To ensure the sustainable involvement of our stakeholders, we would like to invite you to an initial workshop.

The objective of this meeting is to provide you with up-to-date information on the status of the FABEC Performance Plan, especially on the methodologies used, the macroeconomic scenarios chosen as well as the different performance indicators included. The workshop will be an initial step to prepare for the formal consultation pursuant to EU Regulation 691/2010. The consultation meeting is scheduled for 20 May 2011. The consultation on the key performance area of cost-efficiency will take place on a national basis.

The meeting will be held in Brussels, HQ Eurocontrol, Room Europa, from 09:30 h to 16:30 h. An agenda will be distributed in due time. Please register by 25 March via e-mail (roland.beran@fabec.eu). If you have any questions prior to the workshop, please do not hesitate to contact Roland Beran at 00 49 6103 707 4190.

We look forward to welcoming you.

Yours faithfully
